1. **Animal Planet:** Explore the world of our furry animal friends. Dogs, cats, and goats...oh my! With a range of different activities, we will have the animals come to us! This special week you may even encounter some prehistoric animal fun!
2. **Lights, Camera, Action!** Get your character on with some performing arts, a movie day, karaoke, and more!
3. **Shipwrecked:** This week will be filled with water and sea life exploration. Ocean Strike team is back plus we will be fishing off the pier, learning to tie knots, paddle boarding and more!
4. **Monster Mash:** Camp just got spooky! We will be ghoulish all week with crafts, games, treats and a costume dance party.
5. **Party in the USA!** It's Independence week... No camp on July 4th. To make this week a blast we will load each day with activities that support our red, white and blue. We will tie dye, have water balloon fights, play games, create patriotic crafts plus have a BBQ and a watermelon eating contest!
6. **Ready Player One!** Known as gamers' week, we will have the game truck, laser tag, nerf wars, capture the flag and tons of board games plus activities that incorporate gaming new and old.
7. **All Ball week:** Activities will central around games like kickball, wiffle ball, soccer, bocce, dodge ball, ping pong and any game that incorporates a ball!
8. **Artful Antics:** This week will be a look into our artistic side. We will be colorful with painting and crafts plus learning to use team work to create masterpieces
9. **MAD Science:** Science experiments and exploration all week. We will be learning to explore the unknown, build, create and be wowed with our experiments, creations and potential.
10. **Decades Delight:** Join us for the last week of summer blast through the past! We will party like it's 1969, 1989, 1999, the 2000's and finally have our last day of summer all out party!
